| Transportation             | \$2,500                      | \$2,500                     |
| Housing and Food           | \$9,549                      | \$9,549                     |
| Loan Fee**                 | \$68                         | \$68                        |
| Total Indirect Costs       | \$15,367                     | \$14,742                    |
| Total Cost of attendance:  | \$29,367                     | \$19,992                    |

CAS Graduate Tuition is charged at \$875 per credit hour for the 2024-2025 academic year. This applies to all CAS programs other than TRS and education.

*\* This budget is based on the average tuition cost. Students will be billed for the actual hours registered.*

*Loan fees are estimated and included for those students who borrow Federal Direct Stafford loans. They are not charged by JCU.*
